

Islamic Republic Of Afghanistan  
Ministry of Higher Education  
Quality Assurance and Accreditation Directorate  
Department of Quality Improvement and Accreditation of Private Higher Education Institute

To AUAF:

Based on the framework of the Accreditation Directorate, any public and private university operating in Afghanistan and are implementing the minimum criteria of the accreditation process and are able to get the minimum score of (85) through the Accreditation Directorate in the third phase is considered as an accredited institute and is entitled to all rights and privileges for five years.

According to the Accreditation Directorate's policy, fortunately, AUAF has successfully gone through all the criteria, self-assessment reports, evaluations, reporting of site visitors to the board and verification of visitors score by the board in the third phase.

The visitors' score have been reviewed by the board members in the 75<sup>th</sup> meeting of the Accreditation Directorate which AUAF was able to get a score of 89.33 in the third phase of the accreditation.

Therefore, effective February 14 2018, AUAF has successfully achieved its full accreditation and is valid up to upcoming five years. The official certificate will be issued in a ceremony which will be held soon.

We congratulate this achievement to AUAF shareholders, MoHE and to the Nation of Afghanistan and wish AUAF further success and achievements.

The site visiting team report and their suggestions is attached with this letter.

Regards,

Prof. Haji Mohammad Nayeemi  
Director of Quality Assurance and Accreditation
